Wrap with Love is a volunteer organisation that distributes work produced by craft workers around Australia. Volunteers knit or crochet squares 25cm x 25cm which are sewn together to make an adult size Wrap 1m x 1.7m, and then sent to our warehouse in Alexandria. From there the Wraps are packed for various bona fide Aid Agencies who send them to their distribution points in Australia and overseas.

A 'Gift from Wrap with Love Inc Australia' label has been printed and we ask that you attach one label to one underside corner of each Wrap. We will post you a supply of labels (free) if you call us on 02 8399 3000 or email your request.
